

#	Original game converted to, from or for game	Original game manufacturer	Model	CP # (if multiple)	Status	Net CP price	Net shipping cost	Box	Notes
1	Arabian converted to Karate Master (unknown)	Atari	Upright		Sold	\$122	\$21	C3	4 Monroe joysticks. Will part out if requested. Price based on Monroe joysticks @ \$30 each. Wiring present with edge type connector, but there are loose wires too.
2	Asteroids	Atari	Upright	1	Sold	\$14	\$25	custom	Just a bare panel. All parts have been stripped. Picture shows with parts, but THERE ARE NO PARTS!. CP art looks pretty good except for big "J" on lower right. There is a small bend in the CP at the top edge, about 7" from the left edge. This can probably be bent back. 24"x14"x16" Sold on ebay.
3	Asteroids	Atari	Upright	2	Sold	\$57	\$24	custom	Looks complete with all controls, wiring and connector. CP art very, very good, close to excellent. One of the best originals I have seen. There are a few small marks, but this is a great CP. 24"x14"x16"
4	Asteroids	Atari	Upright	3	Sold	\$27	\$25	custom	Wiring looks complete with connector. Buttons wrong. One button missing. One button skirt missing. Fair amount of rust. Art on CP not horrible, but not great. 24"x14"x16"
5	Asteroids	Atari	Upright	4	Sold	\$21	\$25	custom	Looks complete with all controls, wiring and connectors. Wood block attacked in inside back. Stock? I doubt it, but it looks ok. CP very dirty, but CP art not horrible (not great either). Good amount of rust in black areas of CP. I think most of the dirt on the CP art will clean up. 24"x14"x16"
6	Asteroids Deluxe	Atari	Upright	1	Sold	\$24	\$19	C3	CPO has some cig burns, but not too bad. All wiring with connector present and uncut. Both start buttons are vandalized. One is wrong color.
7	Asteroids Deluxe	Atari	Upright	2	Sold	\$29	\$17	C3	All controls, wiring with connector present and uncut. CPO is trashed. Price based on good controls.
8	Asteroids Deluxe	Atari	Upright	3	Sold	\$35	\$17	C3	All controls, wiring with connector present and uncut. CPO on top of CP is good. CPO on middle and by bottom bend is nicked up a lot. CPO dirty, but should clean up good.
9	Asteroids Deluxe	Atari	Cocktail		Sold	\$34	\$15	A1	Complete with all wiring and connectors. One wire to button connection broken off on tab of wire solder point to button. If sold separately, \$24 for better, \$18 for worse (difference being wear on CPO in bend of CP.

10	Battlezone	Atari	Upright		Sold	\$14	\$16	F6	Right joystick missing. Left joystick cracked and taped. Wiring with connector present. CP art actually pretty nice, but there are several small rust spots.
11	Beezer	Tong	Upright	1	Sold	\$19	\$17	B2	Track ball missing. No wiring. 2 white leaf switches present. CPO dirty but good condition.
12	Beezer	Tong	Upright	2	Sold	\$60	\$17	B2	Track ball missing. Otherwise appears to be complete with wiring, connector, buttons. CPO looks excellent. I don't want to take off the protective bubble wrap, if you are really interested, let me know and I will get better pics.
13	Black Widow	Atari	Upright	2	Sold	\$400	\$21	H8	Prototype. 100% complete, all controls, wiring and connector present. Notice: Connector is different than production model. Two 4" joysticks.
14	Buck Rogers Planet Of Zoom	Sega	Upright		Sold	\$26	\$27	custom	Looks 100% complete, all controls, wiring and connector. CPO very nice, just some cracking at the bend of the CP. 24"x16"x10"
15	Carnival	Gremlin/Sega	Upright		Sold	\$25	\$16	wrap	Looks complete with all controls, wiring and connector. CPO on top pretty good, some gunk on left side that might clean up. CPO after bend in CP has a large spot that is torn away.
16	Centipede converted to Ajax (Konami)	Atari	Upright		Sold	\$30	\$20	C3	4 white, 2 red, 2 blue buttons, 4-way leaf switch joystick, wiring present complete but connector cut 1 button nut missing. I think it's a 4" joystick (NO GUARANTEE!), but measures approximately 3.75" from bottom of ball to bottom of stick. Price based on joystick and buttons. Sold on ebay.
17	Cloak & Dagger for Defender (Williams)	Atari	Upright		Sold	\$52	\$16	I9	Right joystick missing. All other controls present and wiring with connector. Left joystick is a 4-way leaf and appears to be a 4" version. 25"x8"x5"
18	Cloak & Dagger for Stargate, Robotron, Joust (Williams)	Atari	Upright		Sold	\$44	\$17	custom	Just the metal & CPO. CPO looks very, nice, excellent condition. 25"x10"x7"
19	Convert-a-Game converted to (unknown)	Sega	Upright		Sold	\$16	\$17	B2	Complete, all controls, wiring and connector. Joystick self-centers, Sega Convert-a-Game style metal CP with Willis Asteroids Deluxe CPO applied (but not right configuration for Asteroids Deluxe game).

#	Original game converted to, from or for game	Original game manufacturer	Model	CP # (if multiple)	Status	Net CP price	Net shipping cost	Box	Notes
20	Cyber Sled	Namco	Upright		Sold	\$45	\$21	custom	2 joystick CP. No CPO. Price based on joysticks. Will part out to reduce shipping. Wiring, connectors, speakers present. 16"x15"x14"
21	Defender	Williams	Upright	1	Sold	\$13	\$14	I9	Looks completed with all controls, wiring and connector. CPO poor. Joystick is fairly tight and good self-center. Price based on controls. 25"x9"x4"
22	Defender	Williams	Upright	2	Sold	\$13	\$14	I9	Looks complete with all controls, wiring and connector. CPO poor. Joystick self-center but not very tight. Lots of cig burns. Price based on controls. 25"x9"x4"
23	Defender	Williams	Upright	3	Sold	\$15	\$14	I9	Looks complete with all controls, wiring and connector. Aftermarket CPO in fair condition. Cig burns. No CP brackets. Price based on controls. 25"x9"x4"
24	Defender	Williams	Upright	4	Sold	\$14	\$14	I9	Looks complete with all controls, wiring and connector. Aftermarket CPO, not very good. Some cig burns. Joystick loose and barely self-centers. Connector is not stock and will not fit a stock cabinet wiring. Price based on controls. 25"x9"x4"
25	Defender	Williams	Upright	5	Sold	\$10	\$14	I9	Joystick assembly missing. Otherwise looks complete with all controls, wiring and connector. CPO bad. Cig burns. Price based on controls. 25"x9"x4"
26	Defender	Williams	Upright	6	Sold	\$15	\$14	I9	Looks complete with all controls, wiring and connector. CPO not very good. Cig burns. No CP brackets. Joystick does not self center. Price based on controls. 25"x9"x4"
27	Defender	Williams	Upright	7	Sold	\$24	\$14	I9	Looks complete with all controls, wiring and connector. CPO very bad. Lots of cig burns and corners broken away. Some kind of after market rapid fire kit installed. Higher price because of rapid fire kit. Price based on controls. 25"x9"x4"
28	Deluxe Space Invaders	Bally/Midway	Upright	1	Sold	\$11	\$16	I9	CPO has wrong color buttons. Wiring with connector present, but there are some loose wiring that will need to be soldered back on leaf switches. 25"x9"x4"
29	Deluxe Space Invaders	Bally/Midway	Upright	2	Sold	\$1	\$19	I9	Appears to be 100% complete with all wiring and connectors and controls. Lots of cig burns. 25"x9"x4"

#	Original game converted to, from or for game	Original game manufacturer	Model	CP # (if multiple)	Status	Net CP price	Net shipping cost	Box	Notes
30	Depthcharge	Gremlin	Upright		Sold	\$18	\$17	wrap	Looks complete with all controls, wiring and connector. Wiring by connector looks funky though, be sure to check it in pic. CPO dirty, but not too bad. CPO completely torn away at bend of CP.
31	Discs Of Tron	Bally/Midway	Upright		Sold	\$75	\$16	B2	Joystick missing. All wiring with connector appears to be present. CPO has a few nicks but is pretty nice.
32	Domino Man	Bally/Midway	Upright		Sold	\$38	\$16	B2	Joystick missing. One leaf from joystick missing. Otherwise appears to be complete with other buttons, wiring and connector. CPO dirty, water stained, but appears to be in good condition. I do not note any cig burns. Don't know if there is supposed to be an interface board on the joystick, but if there is, it's missing on this CP.
33	Dragon's Lair	Cinematronics	Upright	1	Sold	\$75	\$16	E5	Looks complete with all controls and wiring. At least 2 of the leaf switches on the joystick are messed up. Joystick has a good self-center. CPO dirty but good.
34	Dragon's Lair	Cinematronics	Upright	2	Sold	\$85	\$16	E5	Looks complete with all controls and wiring. CPO dirty but very nice.
35	Escape From The Planet Of The Robot Monsters	Atari	Upright	1	Sold	\$36	\$18	D4	Wiring complete with connector. Appears that all controls are present. CPO dirty, but pretty nice. Should clean up nice. NOTICE: The hall effect joysticks and interface board in the pictures are NOT included.
36	Escape From The Planet Of The Robot Monsters	Atari	Upright	2	Sold	\$10	\$19	custom	Conversion, just the metal plate with CPO
37	Frenzy	Stern	Upright		Sold	\$16	\$17	wrap	Looks complete with all controls, wiring and connector. Joystick does NOT self-center. Lots of wear and rust on metal CPO.
38	Gorf	Bally/Midway	Upright		Sold	\$24	\$20	custom	Looks complete with all wiring and connectors, however some wires are loose and soldered directly to interface board. Art on CP very worn away, poor condition. 24"x13"x9"
39	Gorf	Bally/Midway	Upright		Sold	\$13	\$10	A1	Under CP plexi insert. Art is a little dirty, but in very good condition. Wiring cut, no connector.
40	Ikari Warriors	Tradewest	Upright		Sold	\$100	\$21	B2	Appears to be 100% complete, but no connector. 4 orange, 2 white, 2 red leaf switch buttons, 2 rotary joysticks. Price based on controls.

41	Indiana Jones And The Temple Of Doom	Atari	Upright	2	Sold	x	\$17	C3	Complete, all controls, wiring with connector (2 joystick bolts missing). Atari logo joystick self-centers, but not very tight. CPO a bit dirty but very good. NOT FOR SALE
42	Joust	Williams	Upright		Sold	\$255	\$24	custom	I got this from an ex-Williams employee and he said it was new and never on a machine. I believe it. No cig burns, both joysticks nice and tight. Complete with all controls, wiring and connector. Excellent condition. The balls of both joysticks are dirty and a little nicked up. Otherwise, everything else on this is in excellent to near mint original condition. When is the last time you saw an original Joust CPO with no cig burns? 25"x9"x7"
43	Jungle King	Taito	Upright		Sold	\$18	\$14	wrap	Just the metal and CPO. CPO is very nice. Slight cracking in CPO at bend of CP. Lots of rust on back. Price based mainly on the CPO.
44	Kick	Bally/Midway	Upright	1	Sold	\$18	\$19	B2	Track ball interface board missing. Otherwise complete with all wiring, controls and connector.
45	Kick	Bally/Midway	Upright	2	Sold	\$45	\$19	B2	Start 2 button broken off. Wiring present, but connector cut off. Track ball spins great. CP art worn. Price based on track ball and interface board, which I think can be used in Tron and others.
46	Kick	Midway	Cocktail		Sold	\$20	\$15	A1	Track ball interface boards missing. Wiring complete with connectors. Player two missing yellow/orange button. Prices are for both. Separately, player 1 is \$12, player 2 is \$8. Sold on ebay.
47	Kozmik Krooz'r	Bally/Midway	Upright	1	Sold	\$145	\$25	custom	Wiring looks complete, uncut with connectors. All controls are present. Interface boards present. CPO in excellent condition except for pieces torn away at the bend of the CP. Joystick nice and tight and good self-center. Spinner moves easily, but it does not spin freely. I don't know if this is normal or not. 24"x14"x8"
48	Krull	Gottlieb	Upright		Sold	\$40	\$16	C3	Complete with wiring, connector and all controls. 2 translucent red buttons, 2 bat 4-way leaf joysticks.
49	Lethal Enforcers	Konami	Upright		Sold	\$85	\$23	custom	Base of buttons missing. Happ guns look complete with connector. Price based on guns. 27"x13"x10"

#	Original game converted to, from or for game	Original game manufacturer	Model	CP # (if multiple)	Status	Net CP price	Net shipping cost	Box	Notes
50	Major Havoc converted from Tempest	Atari	Upright		Sold	\$70	\$22	F6	Spinner and start buttons missing. Wiring with connector present. CPO has cig burns in upper left, but otherwise appears to be pretty nice. Sold on ebay
51	Marble Madness	Atari	Upright	2	Sold	\$49	\$19	C3	Looks complete with all wiring and controls and connector. Blue track ball house is cracked. Wiring to start buttons present but not connector and that will need to be figured out (not a big deal). CPO not very good. Price based on 2 cone buttons and 2 track balls and wiring.
52	Mayday	Hoei	Upright		Sold	\$28	\$22	custom	Appears to be 100% complete with all controls, wiring, connector and interface boards. One leaf switch button is broken. CP dirty but should clean up nice. Art on CP very good except for rusting around joystick. 24"x12"x7"
53	Millipede	Atari	Upright	2	Sold	\$20	\$18	E5	Complete, all controls, wiring and connector. Track ball needs to be rebuilt. CPO fair, pieces torn away just to right of track ball. Track ball suitable for Quantum. CP taken off working game, but no guarantees now.
54	Mini Golf	Bally/Sente	Upright		Sold	\$3	\$17	H8	JUST THE UNPOPULATED CONTROL PANEL AVAILABLE. ALL CONTROLS AND WIRING SOLD.
55	Omega Race	Midway	cocktail		Sold	\$14	\$13	A1	No idea why I have only one. Looks 100% complete with all controls, wiring and connector. CPO dirty, but in excellent condition., sold on ebay
56	Pac-Man	Midway	Upright	1	Sold	\$13	\$19	B2	Complete, all controls, wiring with connector. Condition very poor. Lots of rust, wood rotted. CPO actually decent. Price based on controls.
57	Pac-Man	Midway	Upright	2	Sold	\$18	\$19	B2	Complete, all controls, wiring with connector. Fully working. CP metal painted blue (should be black)
58	Paperboy	Atari	Upright		Sold	\$67	\$24	F6	Looks complete with all controls, wiring and connector. CPO on CP is dirty but good. CPO on controller has a lot torn away. Grip handles are blue.
59	Q*bert	Gottlieb	Upright	1	Sold	\$19	\$16	A1	Joystick loose and does not self-center. Buttons present but wrong. Wiring with connector looks complete. CPO bad, a lot torn away and there is marker writing on CPO.

#	Original game converted to, from or for game	Original game manufacturer	Model	CP # (if multiple)	Status	Net CP price	Net shipping cost	Box	Notes
60	Q*bert	Gottlieb	Upright	2	Sold	\$27	\$16	A1	Buttons missing (bases are present). All wiring with connector present. CP has plexi over lay protecton it, so 4 extra holes in CP. CPO is actually pretty nice though.
61	Q*bert	Gottlieb	Upright	3	Sold	\$34	\$16	A1	Buttons missing (bases are present). All wiring with connector present. CPO very dirty and a lot torn away in the CPO under the bend in the CP
62	Quantum	Atari	Upright	1	Sold	\$15	\$19	F6	Just metal. Needs major extra hole fixing.
63	Quantum converted to Arkanoid (Romstar)	Atari	Upright	2	Sold	\$15	\$19	F6	Just metal. Needs major extra hole fixing.
64	Road Blasters	Atari	Upright	1	Sold	\$30	\$25	H8	CPO looks dirty but very good. Backside looks 100% complete, all wiring, connector and interface board. On topside, handles are wrong, left side is 1/2 missing, and button missing. Right side is blue. They should be black. Steering self-centers.
65	Road Blasters	Atari	Upright	3	Sold	\$30	\$25	H8	CPO very dirty, but definitely not great condition. Right handle is broken and button missing. Backside looks 100%, all wiring, interface and connector. Good self-center.
66	Road Blasters	Atari	Upright	4	Sold	\$44	\$22	H8	CPO dirty, good, but not great condition. Backside looks 100%, all wiring, interface and connector. Steering almost, but not quite self-centers. Marked good by me 5-17-2013.
67	Robotron	Williams	Upright	1	Sold	\$38	\$20	custom	All wiring and connector are present. Buttons are present but wrong. Joysticks are present but wrong. Both are microswitch. 25"x10"x10"

#	Original game converted to, from or for game	Original game manufacturer	Model	CP # (if multiple)	Status	Net CP price	Net shipping cost	Box	Notes
87	Street Football	Bally/Sente	Upright		Sold	\$62	\$19	B2	Appears to be 100% complete with all controls, wiring, connector and interface boards. Price based on components.
88	Tac/Scan	Sega	Upright		Sold	\$54	\$15	B2	Looks complete with all wiring, connector, buttons, interface boards and spinner. CPO dirty but nice.
89	Tekken	Namco	Upright		Sold	\$19	\$21	E5	4 yellow, 4 red, 2 white push microswitch buttons. 2 bat style 4 way micro switch joysticks. Wiring present, but connector cut.
90	Tempest	Atari	Upright		Sold	\$75	\$20	F6	Appears to be 100% complete with all controls, wiring, connector and interface boards. CPO very dirty. CPO on top decent, but a lot of cracking and torn away at the second (bottom) bend in the CP. One cone button is wrong color. There is a dime size nick in the CPO by the spinner.
91	Tri-Sports converted from (unknown)	Bally/Midway	Upright		Sold	\$23	\$18	C3	Wico style small track ball with a Bally/Midway interface board. 2 red, 2 blue leaf switch buttons. Price based on controls and inverface board. Wiring with connector present. Guessing it's a Centipede conversion (but don't hold me to that).
92	Tron	Bally/Midway	Upright	2	Sold	\$75	\$19	H8	Joystick has no cracks and has a good self-center. Looks 100% complete with all wiring and connector. CPO good.
93	unknown	Sega	Upright		Sold	\$0	\$17	B2	Price based on 4 way leaf switch & 2 Atari cone buttons. No wiring.
94	unknown	unknown	Upright		Sold	\$9	\$19	B2	2 red, 2 white, 4 way leaf switch joystcik. Wiring present, but connector cut off. The CPO is generic, but it was the CPO used on the Bally/Midway 6-Pack series of games, Up 'N Down, Mr. Viking, Flicky, S.W.A.T., Water Match, Bull Fight. However, this CP does not appear to be from that series of cabinets. It apears to be a size and shape of a standard Galaga or Pac-Man style cabinet.
95	unknown bootleg of Defender	unknown	Upright		Sold	\$0	\$18	H8	Some Defender clone/bootleg. Defense Command maybe? No controls, no wiring, just the metal panel.
96	Virtua Fighter 2	Sega	Upright		Sold	\$19	\$23	custom	6 red, 2 white micro switches. 2 red bat style 4-way microswitch joysticks. One button base is broken. Wiring uncut with connector. CPO ok, except a spot torn away at bend of CP. 24"x10"x9"
